

Feedback of parents

Berna KÖROĞLU;

I got support about the conflicts I had with my child.

Serpil CELEBI:

This program helped me learn how to use "I" language.

Nurcan AS

This program helped me have a positive interaction with my child and I got information about the biological and sexual development of my child.

Hamiyet GÖLCÜK

This program taught me that happiness at home could grow if we changed. I learned to be happy by spending time for myself..

Gülsüm OK;

My child didn't use to do his homework and study his lessons before this program.

This program helped me to understand my child better.

Gülşen İLTER:

It is necessary to educate mothers to educate a child.
